Welcome

Welcome to the Amps Wine Merchants Christmas 2020 Brochure.

2020 has been a very challenging year and whilst we do not know what the next few months will bring, we have put together a fabulous selection of wines for you to enjoy during the festive season.

As we adjust to new ways of working, the team and I have ensured that COVID secure measures and social distancing guidelines are in place in both of our stores so you can expect a safe, warm welcome and the friendly family service we are renowned for.

If you prefer you can order online through our website, speak to us over the phone or book an appointment to meet with a member of the team in store so you do not have to queue outside. It is worth remembering that we deliver all orders anywhere in the UK over £100 for free, or alternatively you can click/phone and then collect, without having to enter the shop.

This may be a Christmas different to any other and seeing all our friends, family and work colleagues might not be possible, but we can send gifts for you anywhere in the country to help spread a little Christmas cheer. Parcels are sent on a next day service via DPD and can include any message that you wish to send. For businesses, the government has relaxed the gift giving laws so you can again reclaim the VAT on bottles given to customers or colleagues; check with your accountant for exact details. Please ask a member of the Amps team for advice and gift ideas.

Whilst social distancing restrictions remain in force, we will continue with our virtual tastings, so please keep an eye on the website or email notifications.

We would like to thank you for all your custom and support during these unprecedented times.

We wish you all a Merry Christmas.

Stay safe,

Philip Amps & The Amps Team.
